### **Decorating Guidelines & Damages**

If you are planning to do any decorating, it is advisable that you read over our guidelines available at [sweeneysaloon.com](http://sweeneysaloon.com). You are responsible for any damages incurred to the room by yourself or your guests.

You are welcome to decorate up to 1 ½ hours prior to your party start time. Weddings and rehearsal dinners may arrange for more time beforehand with the banquet manager.

### **Music Regulations**

All music, whether DJ, band, satellite radio or other, must be finished by 12:30 a.m. If you are hiring a band or DJ, please let us know prior to your event. They are welcome to set up 2 hours prior to your party start time. It is recommended that you let them know beforehand that there is no elevator, only stair access to the room. They need to bring in all of their own sound/lighting equipment. We can provide a table for a DJ if needed.

### **Minors**

Minors are allowed in the Oak Room, but must be accompanied by a parent or legal guardian. They must stay in the room and are not allowed in the bar on the main floor. If any minors are caught drinking, they may be asked to leave the building. In some cases, we may end your party before your scheduled end time. We have a doorman staffed on the main floor that will check all guest's IDs. Please inform your guests that they will need to bring a valid ID if they would like to drink alcohol.

**Last Call/End of Party**

Last call for drinks is done a half hour before your scheduled end time. This allows guests to wind down and help them to understand the room will be closing shortly. Guests will be allowed to stay in the room for 15-30 minutes after your scheduled end time. The staff will gently "nudge" them to move downstairs after that time. 1 a.m. is the latest end time allowed for parties in the Oak Room.

**Guidelines For Paying The Bill**

The bill is to be paid in full with your bartender at the end of your event. You may pay with cash, credit/debit card or check. If you are paying a large bill with a credit card, it is advisable that you alert your card company/bank beforehand.
